2015 Rules for \$1000.00 Draw

There will be 4 Draws throughout the season.

To be eligible for the \$1000.00 the winning member must be *in attendance on the night*. If the member is not in attendance the sum of \$500.00 will be forwarded to that winning member. The remaining balance of \$500.00 will go to the club.

In addition to the \$1000.00 draw, we will be holding 3 x \$100.00 draws and the winning number must be present in the room. We will continue to draw numbers until the 3 x \$100.00 prizes are won.

Numbers will be electronically drawn randomly. The winner will be the first number to be drawn.

Note: Any unsold memberships will be deemed to be owned by the Mooroolbark Football Club. If an unsold number is drawn for the \$1000.00, the club will keep \$500.00 and will draw \$500.00 to a member in attendance on the night. The club will re-draw any \$100.00 draws won by unsold numbers. (Part of club winnings will contribute to the Jackpot Bonus Draw on the last night draw)
